

How to buy one?

1. Order = Ping me an e mail at parasigswatch@hotmail.com, with your choice of strap and your Zap no. (to be engraved on the back, or something else up to 6 characters you would like on the back).
2. Payment = Option A - one cheque for the full amount post dated the 07 July
Option B - one cheque with the deposit amount of £100 dated 07 July, and a second cheque for the balance dated TBC (looking to be around Oct to time with completion of the order). Payable to - Christopher Ward Ltd
3. Prices: Deposit = Confirmed as £100
With leather strap = Approx £450
With metal strap = Approx £500
4. Timeline = If I enforce a cut off for initial orders of 07 July we should be looking at the first batch being delivered in Oct. However the sooner I get your orders, and more importantly cheques to the watch company. I can push for a run of watches in time for Caythorpe, which would be a fantastic add on to the 70th celebrations.
